ABOUT METTLE SERIES

inorganic pigments
that give full body
porcelain stoneware
Colouring.

Glossy collection brings a modern spin to the powerful, expressive beauty of Portland Stone, featured in iconic architectures worldwide and recognisable for its timeless charm and ancient history.

Delicate shades of colour, soft cloudy effects and subtle touches of light envelop the tiles in the new Matt collection, embellishing it with distinctive graphic details to create sophisticated surfaces that bring a simple elegance to both residential and retail spaces.
